

## Statement of Compliance with the National Statement on Ethical Conduct in Human Research (2007), updated 2018 (National Statement)

### National Statement on Ethical Conduct in Human Research Section 5.1.30 minimum membership:

- a chairperson, with suitable experience, whose other responsibilities will not impair the HREC's capacity to carry out its obligations under this National Statement;
- at least two lay people, one man and one woman, who have no affiliation with the institution and do not currently engage in medical, scientific, legal or academic work;
- at least one person with knowledge of, and current experience in, the professional care, counselling or treatment of people; for example, a nurse or allied health professional;
- at least one person who performs a pastoral care role in a community, for example, an Aboriginal elder, a minister of religion;
- at least one lawyer, where possible one who is not engaged to advise the institution; and
- at least two people with current research experience that is relevant to research proposals to be considered at the meetings they attend. These two members may be selected, according to need, from an established pool of inducted members with relevant expertise.

The current committee is constituted according to the National Statement, Section 5.1.30:
